

## ***2017 Rock Out the Flu Sponsors***

Families Fighting Flu is a 501(c)(3) non-profit organization that operates solely on donations from individuals and organizations who support our mission and share our goals.

Our *Rock Out the Flu* gala event took place on February 25, 2017 in Washington, D.C. and was a huge success, raising over \$49,000 for the organization! A special thank you to FFF Board of Directors members Doris and Gary Stein for organizing this event.

***We deeply appreciate the generous support from our event sponsors!***
