

Kaitlyn Covert

Kaitlyn Covert is a sophomore in high school in Philadelphia, PA. She is a competitive all star cheerleader and member of the Women in Business Club at her school. During the summer, she works as a camp counselor.

Kaitlyn joined the Junior Board because her cousin, Amanda Kanowitz, died of influenza at 4-years-old. By advocating for flu vaccines she helps make sure no other family has to go through her family's pain of losing a loved one to a vaccine-preventable disease.
